PRESS RELEASE

After spending over 45 years in the fire service industry and over 20 years as cofounder and leader of H&W Emergency Vehicles, Wendell (Wink) Weber has retired. Steve Jahn, a 15 year H&W associate and 27 year veteran of the fire service has acquired Wink's shares and is honored to be joining existing shareholders Peter Adams and Mark Nordstrom in creating a leadership team that shares a common vision to provide a customer driven, service oriented company. As one of our original founders, Peter Adams has been named Chairman and CEO of the Company. Steve Jahn has been named President/COO and will be leading the company into the future. You can be confident that we are forming a solid, experienced leadership team who will focus on providing our customers the finest fire apparatus and emergency vehicle products, service and support available in the Pacific Northwest.

To our past, present and future customers;

We are extremely thankful for each and every customer that has been part of making H&W successful over the past 20 plus years. We sincerely ask that as we restructure and grow in the upcoming months and years, you will consider us as a partner and source for your all your emergency vehicle needs. Over the next few months, our leadership team will be asking that our associates and customers partner with us to provide candid input on how we might serve you better. We realize that without you, there would be no H&W. We will be contacting a number of you to ask for your participation in this process and hope you will join with us to help create a company that provides what you desire in an Emergency Vehicle Supplier.

About H&W Emergency Vehicles;

H&W Emergency Vehicles was established in 1986 as a regional manufacturer & distributor of emergency vehicles with our factory located in nearby Hillsboro, Oregon. H&W also specializes in emergency vehicle service, parts and repair, proudly serving the Pacific Northwest and Alaska. In addition to manufacturing our own apparatus, H&W is pleased to represent the following industry leading products; **Crimson Fire Apparatus, SVI Rescue & Command Vehicles, Road Rescue Ambulances and AEV (American Emergency Vehicles) Ambulances.** H&W has factory based offices and service centers in Hillsboro, Oregon and Marysville, Washington.

We hope you will give us a chance to show you our commitment by choosing our products or services for your agency.
