

ANNOUNCING

PACIFIC HAS OFFICIALLY JOINED H&W

We are pleased to announce that Pacific Emergency Vehicles has joined with H&W Emergency Vehicles to create

H&W-PACIFIC EMERGENCY VEHICLE GROUP

The combination of Pacific and H&W creates a dynamic organization with over 30 emergency vehicle specialists with particular expertise in the design, construction, sales and service of fire and EMS vehicles. In coming together, we are able to combine our knowledge, experience and talents to provide you the absolute best in sales, service and support, both before and after the sale.

We wish to reaffirm our commitment to building long term relationships and providing our customers with a level of support unequalled in the industry. We are truly committed to becoming the first choice when it comes to emergency vehicles.
