

**H&W EMERGENCY VEHICLES**  
EMERGENCY VEHICLE SPECIALISTS

## **NEW DIRECTOR OF SERVICE OPERATIONS APPOINTED**

For nearly 25 years, H&W Emergency Vehicles has become well known as a regional fire apparatus manufacturer, emergency vehicle dealership and emergency vehicle repair center with a long-standing reputation for manufacturing durable apparatus, selling quality emergency vehicles and providing vehicle service. During this time, our customers also have come to rely on the highly trained and experienced technicians in our Service Department.

In a continuing effort to provide our customers with the best possible service, we have hired an experienced fleet service manager, Mr. Larry McGougan. Larry McGougan comes to us with years of experience in fleet maintenance and service, because of his knowledge and expertise, we are now able to expand our service business into the fleet maintenance realm, offering chassis preventative maintenance and brakes just to name a few—we can service nearly anything on your emergency vehicle!

Larry joined H&W after serving over 13 years in fleet service, management and maintenance as an EVT mechanic and Fleet Service Manager at Metro West Ambulance in Hillsboro prior to joining our company. Larry also served as a line mechanic with Excel Automotive in Hillsboro for six years performing all basic automotive maintenance and heavy repairs.

Larry was responsible for fleet management services, ambulance remounting, computerized fleet maintenance tracking, employee scheduling and hiring fleet personnel at Metro West Ambulance (Washington County) and Pacific West Ambulance (Lincoln County), including, coordination of fleet maintenance at the Medix Ambulance (Clatsop County) and Bay Cities Ambulance (Coos County) divisions. Larry attended Portland Community College where he obtained a Diesel Certificate. Larry is an ASE Certified Automotive Service Technician for Brakes, Engine Repair, Tune Up, Drive Train, and Electrical. Larry also holds an Emergency Vehicle Technician Certification (EVT), Ambulance Technician at Master Level III, E-4.

Larry resides in Hillsboro with his wife Kristina, who is a Paramedic with Metro West Ambulance, and their children.

Larry will be responsible for service operations encompassing the entire company.

Corporate Office, Manufacturing & Service Facilities: Hillsboro, Oregon

Sales Office & Service Facilities: Marysville, Washington

Larry is a great addition to our growing service department. His expertise, along with the skill and knowledge of our other associates, continues to assure that our customers receive the highest quality service at costs which are competitive with local independent shops.

Please join me in welcoming Larry as the newest member of our growing service team.

Respectfully,

Steve Jahn  
President/Chief Operating Officer

***About H&W Emergency Vehicles;***

*H&W Emergency Vehicles was established in 1986 as a regional manufacturer & distributor of emergency vehicles with our factory located in nearby Hillsboro, Oregon. H&W also specializes in emergency vehicle service, parts and repair, proudly serving the Pacific Northwest and Alaska.
